**TOWN OF POUGHKEEPSIE
LOCAL LAW NO. __ (PROPOSED) OF THE YEAR 2023**

A LOCAL LAW TO ESTABLISH A NEW CHAPTER 168.1 OF THE CODE OF THE TOWN OF POUGHKEEPSIE TO BE KNOWN AS "SHORT-TERM RENTALS," AND TO AMEND CHAPTER 210 OF THE CODE OF THE TOWN OF POUGHKEEPSIE, ENTITLED "ZONING," REGARDING SHORT-TERM RENTALS

BE IT ENACTED by the Town Board of the Town of Poughkeepsie as follows:

SECTION 1. LEGISLATIVE INTENT

This local law amends the Poughkeepsie Town Code to regulate short-term rentals. The law establishes new regulations requiring permits for short-term rentals, and amends the Town's Zoning Law to adequately regulate short-term rental uses.

The use of short-term rentals has increased in the nation and in the region in recent years, and many visitors now seek accommodations in short-term rentals via various website platforms. Short-term rentals can offer an additional means of income for some property owners, but they also have the potential to adversely impact neighborhoods because they are effectively transient lodging uses, often operated without permits or approvals and in buildings and areas where such lodging may not be permitted. In addition, the presence of short-term rentals also can lead to a reduction in the affordable housing supply by removing dwelling units from the market and driving up demand for the limited remaining housing supply. This can result in fewer available units and increased prices or rents for those units.

This local law will allow certain short-term rental uses as permitted uses in the Town subject to specific conditions and approvals. The law will limit some types of short-term rental uses in the Town, and will give the Town Board the flexibility to expand, or further limit, the number of such uses in the Town in the future. By limiting the type and location of short-term rentals, and by requiring them to undergo review and receive approval from the Town, this law lessens the potential negative impacts associated with these uses and will promote public safety, health, and welfare. This law will discourage unsafe structures from being rented to transient visitors by requiring that short-term rentals comply with applicable codes and implement certain safety measures.

The proposed amendments to the Town Code are designed to protect the health, safety, and welfare of the public. The amendments are consistent with the recommendations of the Town's 2021 *Comprehensive Plan* and with "Greenway Connections: Greenway Compact Program and Guides for Dutchess County Communities" pursuant to Chapter 18 of the Town Code.

SECTION 2. APPLICATION

This Local Law shall apply within the Town of Poughkeepsie.

SECTION 3. SEVERABILITY

The invalidity of any word, section, clause, paragraph, sentence, part, or provision of this Local Law shall not affect the validity of any other part of this Local Law, which can be given effect without such part or parts.

SECTION 4. ADOPTION OF A NEW CHAPTER 168.1 ENTITLED "SHORT-TERM RENTALS"

§ 4.1. A new Chapter 168.1 is hereby inserted into the Code of the Town of Poughkeepsie to read as follows:

CHAPTER 168.1. SHORT-TERM RENTALS

§ 168.1-1 Purpose.

The Town Board of the Town of Poughkeepsie has determined it is in the best interest of the Town and its residents to regulate short-term rentals. The Town Board recognizes the benefits of short-term rentals to allow homeowners to supplement their income to defray the cost of housing and to provide lodging for visitors to the Town. However, to protect the health, safety and welfare of the Town and its residents, it is necessary to restrict the rental of dwelling units for terms shorter than 30 consecutive days because such use has the potential to negatively impact residential neighborhoods by allowing what are effectively transient lodging uses in buildings and areas where commercial uses may not be permitted. In addition, the presence of short-term rentals also can lead to a reduction in the affordable housing supply by removing dwelling units from the market and driving up demand for the limited remaining housing supply. This can result in fewer available units and increased prices or rents for those units. The Town Board believes that the restrictions and requirements imposed herein further the Town's goals and objectives and promote the protection of the health, safety and welfare of the Town and its residents. This chapter describes procedures and requirements for obtaining a permit for a short-term rental and is intended to operate in conjunction with the regulations of the Town of Poughkeepsie Code Chapter 210 entitled "Zoning."

§ 168.1-2 Definitions.

As used in this chapter, the following words shall have the meanings indicated:

OWNER

Any person, partnership, corporation, limited liability company, trust, governmental entity or other legal entity having a fee interest in the real property to be used as a short-term rental.

PERSON

A natural person, a living human being.

PRIMARY RESIDENCE

The domicile and principal dwelling that a primary resident inhabits and resides in for the majority of a year.

PRIMARY RESIDENT

A person who has a fee ownership in, and inhabits and resides in a primary residence; however, if title to the property is not held in the name of a natural person, then the following shall apply: if the property is held in the name of a trust, the person that inhabits the residence must be a grantor or a beneficiary of the trust; if the property is held by an entity other than a trust (corporation, limited liability company, partnership, etc.), the resident must be a majority owner of, or have a majority interest in, the entity. Such residents shall be deemed primary residents.

SHORT-TERM RENTAL

A single-family dwelling or portion thereof made available for rent or lease, or otherwise assigned, for an occupancy of fewer than 30 consecutive days. The term "short-term rental" does not include dormitories, hotel or motel rooms, bed-and-breakfast establishments, inns, or boardinghouses as regulated by the Town of Poughkeepsie Zoning Law, and does not include the use of any accessory structure(s) for dwelling purposes. The following are types of short-term rentals:

- (1) Hosted short-term rental. A short-term rental where a primary resident is present in the dwelling overnight with their guest(s).
- (2) Unhosted short-term rental. A short-term rental where no primary resident is present in the dwelling overnight with their guest(s). There are two types of unhosted short-term rentals:
 - (a) Unhosted short-term rental, accessory residential use. An unhosted short-term rental in a primary residence.
 - (b) Unhosted short-term rental, principal commercial use. An unhosted short-term rental that is not in a primary residence.

§ 168.1-3 Short-Term Rental Permit.

- A. Permit required. It shall be unlawful to use, establish, maintain, operate, rent or lease, or advertise for rent or lease, any property as a short-term rental within the Town of Poughkeepsie without first having obtained a short-term rental permit for such purpose in accordance with provisions of this chapter, and without having obtained any planning or zoning approvals required by Chapter 210, Zoning. Any required planning and zoning approvals must be obtained prior to the issuance of a short-term rental permit. The failure or refusal to obtain a short-term rental permit prior to the commencement of a short-term rental use shall be deemed a violation of this chapter.
- B. Zoning use authorized. Subject to the conditions set forth in this chapter, a property owner may obtain a short-term rental permit only where such use is permitted by Chapter 210 in the Zoning District in which the property is located.

- C. Advertisement. If the rental is advertised, the short-term rental permit number must be included in the listing.
- D. Presumptive evidence. The existence of any of the following shall create a rebuttable presumption that a property is being utilized as a short-term rental:
 - (1) The property is offered for lease or rent on a short-term rental website, including but not limited to Airbnb, HomeAway, VRBO or similar websites; or
 - (2) The property is offered for lease or rent by the use of any other advertising mechanism for a period of fewer than thirty (30) consecutive days.

§ 168.1-4 Term of Permit.

A short-term rental permit shall be issued annually and shall expire on the last day of December next succeeding the date of issuance, unless sooner terminated or revoked. A property owner may apply for renewal for the following calendar year up to 90 days prior to the expiration of the permit, but no later than 30 days prior to such expiration. Failure to timely apply for renewal will result in the application being treated as an application for a new permit.

§ 168.1-5 Application for permit.

- A. Application. An application for a short-term rental permit shall be made to the Zoning Administrator on forms provided by the Town and signed by all owners of the property. The form and content of the permit application shall be as determined from time to time by the Town and shall request such information and materials as the Town deems necessary. - (8) A non-refundable application fee, in accordance with the fee schedule established by the Town Board, payable upon application. In no instance shall the filing of an application or the payment of an application fee be construed as permission to operate a short-term rental, or to exonerate the property owner from responsibility for compliance with the building, housing, fire and maintenance requirements of any local, county, state or federal agency having jurisdiction.
- (9) If a hosted short-term rental will serve food that is freshly prepared on site, a Food Service Permit from the Dutchess County Department of Behavioral and Community Health may be required.

For an inspection by the Town Building Inspector, a non-refundable inspection fee shall be payable upon application in accordance with the fee schedule established by the Town Board. If the Building Inspector or NYS licensed engineer or architect determines that the short-term rental space is not in compliance, any existing permit shall be revoked, and the owner shall cease use of the dwelling unit as a short-term rental until all noncomplying elements have been corrected, as confirmed by re-inspection by a NYS licensed engineer or architect or by the Building Department, which shall be subject to an additional fee as set forth in the fee schedule.
- C. **Permit Fee.** A non-refundable permit fee shall be payable upon issuance of the permit in accordance with the fee schedule established by the Town Board.
- D. **Duty to amend.** If the information submitted as part of the permit application changes at any time after submittal, it is the responsibility of the owner to submit such changes to the Zoning Administrator in writing within 30 days of the occurrence of such change. Failure to do so shall be deemed a violation of this chapter.

- B. Basis for revocation. Any permit for a short-term rental may be revoked for the reasons set forth in § 168.1-11.
- C. Form of denial or revocation. In the event an application is denied or revoked, notice of the denial or revocation shall be given in writing by first class mail to the owner at the address shown on the application. If the notice is returned by the Post Office as undeliverable for any reason, as long as it was properly addressed and sufficient postage affixed, service of the notice shall be presumed valid. The failure of an owner to provide a current address to the Town shall not be a basis to claim service of the notice was not proper.
- D. Notice of denial or revocation, contents. The notice of denial or revocation shall set forth the grounds therefor and contain a statement that the owner may appeal such denial or revocation pursuant to § 168.1-12 herein. The notice shall also contain a statement that the owner may submit written objections to the denial or revocation, and any other information deemed advisable or necessary.

§ 168.1-9 Reapplication for a permit.

Once an application has been denied, no reapplication for a permit or a renewal of the permit shall be accepted for filing until the owner has remedied the condition(s) that formed the basis for denial to the satisfaction of the Zoning Administrator.

§ 168.1-10 Basis for denial of a permit.

An application for the issuance of a short-term rental permit, or renewal thereof, may be denied under the following circumstances:

- A. Failure of the owner to file a full, true and complete application;
- B. Failure of the owner to meet any of the requirements for obtaining a short-term rental permit;
- C. Occupancy of the property or the short-term rental area(s) creates a hazard, public nuisance, or other condition which negatively impacts the use and/or enjoyment of surrounding properties, or threatens the peace and good order, or quality of life in the surrounding community as determined by the Zoning Administrator; or

D. The property owner had a previous short-term rental permit revoked by the Town.

§ 168.1-11 Revocation of a permit.

The grounds upon which a permit can be revoked shall include but shall not be limited to:

A. Permanent Revocation.

- (1) The permit was issued in whole or in part as a result of a false, untrue, or misleading statement on the permit application or other document submitted as part of the application, including but not limited to the schematic or certification;
- (2) The property owner ceases to be an owner or, in the case where the short-term rental permit requires a primary resident, the primary resident fails to continue to reside at the property;
- (3) The Town either has revoked, or is in the process of revoking, the certificate of occupancy or letter in lieu for the property;
- (4) The use of the property as a short-term rental creates a hazard or public nuisance, threat to public safety or other condition which negatively impacts the use and/or enjoyment of surrounding properties, or threatens the peace and good order, or quality of life in the surrounding community, as determined by the Zoning Administrator;
- (5) The failure of the owner to comply with, or violation of, the conditions and restrictions of the permit; or
- (6) The failure of the owner to comply with, or violation of, any federal, state, or local law, regulation or rule.

B. Temporary Revocation.

- (1) The receipt by the Town of three (3) or more credible complaints about separate events, as determined by the Zoning Administrator, about the short-term rental use within a thirty-day period shall cause the permit to be revoked for a period of thirty days.
- (2) The receipt by the Town of four (4) or more credible complaints about separate events, as determined by the Zoning Administrator, about the short-term rental use within a forty-five-day period shall cause the permit to be revoked for a period of time to be determined by the Zoning Administrator, such time to be determined based upon the type and nature of the complaint(s).

§ 168.1-12 Appeals.

- A. Upon the denial or revocation of a permit, the owner may, within 20 business days from the date of the written notice, file a request for a hearing before the Town Board. Such request shall be filed with the Town Clerk. The Town Clerk shall promptly forward a copy of the appeal to the Town Attorney and the Zoning Administrator for further processing. Notice of the date, place and time of the hearing shall be given in writing by mail to the owner at the address shown on the application. If the notice is returned by the Post Office as undeliverable for any reason, as long as it was properly addressed and sufficient postage was affixed, service of the notice shall be presumed valid. The hearing shall be scheduled no later than 30 days after the date on which the request was filed.

- B. In the event that demand for a hearing is not made within the prescribed time or in the event that the owner does not timely appear for the hearing, the Zoning Administrator's decision shall become final.
- C. The owner shall be given an opportunity to present evidence why such denial or revocation of the permit should be modified or withdrawn. The Zoning Administrator or his or her designated agent may also give testimony or submit evidence in support of the proposal to deny or revoke the permit. All hearings shall be recorded and may be adjourned by the Town Board upon good cause shown. Upon consideration of the evidence presented, the Town Board shall within fifteen (15) days of the close of the hearing sustain, modify or reverse the decision of the Zoning Administrator, and the Town Board's decision shall be filed with the Town Clerk.

§ 168.1-13 Effect of Revocation.

- A. If a permit is revoked, the property owner shall not be eligible to re-apply for a permit for a period of one (1) year from the date of the revocation. Following the one (1) year period, no application for a new permit will be accepted for filing until the owner has remedied the conditions that formed the basis of the revocation to the satisfaction of the Zoning Administrator, if applicable. A prior revocation may be a factor in the determination as to whether a new permit will be issued. Once remedied, the owner will need to apply for a new permit.
- B. Notwithstanding the foregoing paragraph and the provisions of § 168.1-11(B), if a primary resident moves to a new residence in the Town and the owner provides timely notice to the Town of the same, the failure to continue to occupy the original residence shall not subject the owner to the one-year waiting period.

§ 168.1-14 Violations, Enforcement and Penalties for Offenses.

- A. Violations of this chapter may be enforced by the Zoning Administrator, the Building Inspector, any law enforcement agency that has jurisdiction in the Town of Poughkeepsie, or their duly authorized representatives.

A. Project and Applicant/Sponsor Information.

Name of Action or Project: A Local Law to create a new Chapter 168.1 of the Town Code entitled "Short-Term Rentals", and to amend Chapter 210 "Zoning" regarding same (STR's)		
Project Location (describe, and attach a general location map): Town of Poughkeepsie, New York		
Brief Description of Proposed Action (include purpose or need): This Local Law amends the Poughkeepsie Town Code to regulate short-term rentals. The law establishes new regulations requiring permits for short-term rentals, and amends the Town's Zoning Law to adequately regulate short-term rental uses. This local law will allow certain short-term rental uses as permitted uses in the Town subject to specific conditions and approvals. The law will limit some types of short-term rental uses in the Town, and will give the Town Board the flexibility to expand, or further limit, the number of such uses in the Town in the future. By limiting the type and location of short-term rentals, and by requiring them to undergo review and receive approval from the Town, this law lessens the potential negative impacts associated with these uses and will promote public safety, health, and welfare. This law will discourage unsafe structures from being rented to transient visitors by requiring that short-term rentals comply with applicable codes and implement certain safety measures.
