TOWN OF POUGHKEEPSIE

LOCAL LAW NO. __ (PROPOSED) OF THE YEAR 2025

A LOCAL LAW TO AMEND CHAPTER 168A OF THE CODE OF THE TOWN OF POUGHKEEPSIE ENTITLED “SHORT-TERM RENTALS,” AND TO AMEND CHAPTER 210 OF THE CODE ENTITLED “ZONING” REGARDING SHORT-TERM RENTALS

BE IT ENACTED by the Town Board of the Town of Poughkeepsie as follows:

SECTION 1. LEGISLATIVE INTENT

To account for changes to the Zoning Law related to accessory dwelling units (ADU’s) adopted by the Town Board in October 2024, this local law amends the Town of Poughkeepsie Code to clarify that the short-term rental of accessory dwelling units in accessory structures is allowed subject to certain conditions and approvals. This local law also amends the Code to allow for the administrative renewal of a special use permit issued for a short-term rental as a principal commercial use if the rental has complied with the Town Code, and to make minor corrections and clarifications related to short-term rentals. The regulations are designed to protect the health, safety, and welfare of Town residents and to bring the Town’s Zoning Law into conformance with “Greenway Connections: Greenway Compact Program and Guides for Dutchess County Communities” pursuant to Chapter 18 of the Town Code. The proposed regulations are consistent with the recommendations of the Town’s 2021 *Comprehensive Plan*.

SECTION 2. APPLICATION

This local law shall apply within the Town of Poughkeepsie.

SECTION 3. SEVERABILITY

The invalidity of any word, section, clause, paragraph, sentence, part, or provision of this local law shall not affect the validity of any other part of this local law which can be given effect without such part or parts.

SECTION 4. AMENDMENTS TO CHAPTER 168A OF THE TOWN CODE ENTITLED “SHORT-TERM RENTALS”

§ 4.1. Section 168A-1 of the Code is hereby amended by deleting it in its entirety and replacing it with the following new § 168A-1.

The Town Board of the Town of Poughkeepsie has determined it is in the best interest of the Town and its residents to regulate short-term rentals. The Town Board recognizes the benefits of short-term rentals to allow homeowners to supplement their income to defray the cost of housing and to provide lodging for visitors to the Town. However, to protect the health, safety and welfare of the Town and its residents, it is necessary to restrict the rental of dwelling units for terms shorter than 30 consecutive days because such use has the potential to negatively impact residential neighborhoods by allowing what are effectively transient lodging uses in buildings and areas where commercial uses may not be permitted. In addition, the presence of short-term rentals also can lead to a reduction in the affordable housing supply by removing dwelling units from the market and driving up demand for the limited remaining housing supply. This can result in fewer available units and increased prices or rents for those units. The Town Board believes that the restrictions and requirements imposed herein further the Town's goals and objectives and promote the protection of the health, safety and welfare of the Town and its residents. This chapter describes procedures and requirements for obtaining a permit for a short-term rental and is intended to operate in conjunction with the regulations of the Town of Poughkeepsie Code Chapter 210 entitled "Zoning."

§ 4.2. Section 168A-2 of the Code is hereby amended by deleting the definition of "Short-Term Rental" in its entirety and replacing it with the following new definition of "Short-Term Rental."

SHORT-TERM RENTAL — A single-family or two-family dwelling or portion thereof, or an accessory dwelling unit, made available for rent or lease, or otherwise assigned, for an occupancy of fewer than 30 consecutive days. The term "short-term rental" does not include dormitories, hotel or motel rooms, bed-and-breakfast establishments, inns, or boardinghouses as regulated by the Town of Poughkeepsie Zoning Law, and does not include the use of any accessory structure(s) with the exception of those used for permitted accessory dwelling units. The following are types of short-term rentals:

- A. Hosted short-term rental. A short-term rental where a primary resident is present in a principal dwelling unit on the property overnight during the short-term rental period.
- B. Unhosted short-term rental. A short-term rental where no primary resident is present in a principal dwelling unit on the property overnight during the short-term rental period. There are two types of unhosted short-term rentals:
 - (1) Unhosted short-term rental, accessory residential use. An unhosted short-term rental in a primary residence.
 - (2) Unhosted short-term rental, principal commercial use. An unhosted short-term rental that is not in a primary residence.

§ 4.3. Section 168A-5A(2)(c) of the Code is hereby amended by deleting it in its entirety and replacing it with the following new § 168A-5A(2)(c).

- (c) For a hosted short-term rental, the number of bedrooms occupied by the resident(s) of the dwelling;

§ 4.4. Section 168A-5A(6)(a) of the Code is hereby amended by deleting it in its entirety and replacing it with the following new § 168A-5A(6)(a).

- (a) For a hosted short-term rental, the property is a primary residence and the primary resident will reside in a principal dwelling unit on the property overnight during the short-term rental period;

§ 4.5. Section 168A-7F(4) and (5) of the Code is hereby amended by deleting it in its entirety and replacing it with the following new § 168A-7F(4) and (5).

- (4) Bedrooms. A hosted short-term rental other than a duplex shall be permitted to rent a maximum of two bedrooms. In no case shall a short-term rental, whether hosted or unhosted, result in the use of a greater number of bedrooms than those identified in the inspection report pursuant to § 168A-5B herein.
- (5) Number of guests. The maximum occupancy of a short-term rental shall be two persons per bedroom rented. Children under five years of age shall not count towards this maximum.

§ 4.6. Section 168A-7F of the Code is hereby amended by adding the following new subsection (6) and renumbering the remaining subsections sequentially.

- (6) Number of short-term rentals. Only one dwelling unit on a property may be used as a short-term rental.

SECTION 5. AMENDMENTS TO CHAPTER 210 OF THE TOWN CODE ENTITLED “ZONING”

§ 5.1. Section 210-105.1B of the Code is hereby amended by deleting the definition of “Short-Term Rental” in its entirety and replacing it with the following new definition of “Short-Term Rental.”

SHORT-TERM RENTAL — A single-family or two-family dwelling or portion thereof, or an accessory dwelling unit, made available for rent or lease, or otherwise assigned, for an occupancy of fewer than 30 consecutive days. The term “short-term rental” does not include dormitories, hotel or motel rooms, bed-and-breakfast establishments, inns, or boardinghouses as regulated by the Town of Poughkeepsie Zoning Law, and does not include the use of any accessory structure(s) with the exception of those used for permitted accessory dwelling units. The following are types of short-term rentals:

- A. Hosted short-term rental. A short-term rental where a primary resident is present in a principal dwelling unit on the property overnight during the short-term rental period.
- B. Unhosted short-term rental. A short-term rental where no primary resident is present in a principal dwelling unit on the property overnight during the short-term rental period. There are two types of unhosted short-term rentals:
 - (1) Unhosted short-term rental, accessory residential use. An unhosted short-term rental in a primary residence.
 - (2) Unhosted short-term rental, principal commercial use. An unhosted short-term rental that is not in a primary residence.

§ 5.2. Section 210-105.1C of the Code is hereby amended by deleting it in its entirety and replacing it with the following new § 210-105.1C.

- C. Required approvals. An unhosted short-term rental as a principal commercial use shall be allowed only after the granting of a special use permit by the Town Board. The special use permit shall be renewed annually; it may be renewed administratively by the Zoning Administrator at his/her discretion without referral to the Town Board if the short-term rental has complied with the provisions herein and in Chapter 168A of the Town Code. The special use permit shall be a privilege, not a right, and can be revoked for failing to comply with the provisions herein and in Chapter 168A of the Town Code. Site plan approval shall not be required for special use permits under this section unless the Town Board directs that, because of its complexity or other unusual circumstances, a particular application for an unhosted short-term rental as a principal commercial use must have site plan approval from the Planning Board.

§ 5.3. Section 210-105.1E(3) of the Code is hereby amended by deleting it in its entirety.

§ 5.4. The existing § 210-105.1E(4) of the Code is hereby amended by deleting it in its entirety and replacing it with the following new subsection § 210-105.1E(4).

- (4) No short-term rental shall be permitted in addition to an accessory dwelling unit or a home occupation that requires a special use permit pursuant to § 210-74C(2) of this chapter.

SECTION 6. EFFECTIVE DATE

This local law shall take effect immediately after it is filed with the Secretary of State as provided in section twenty-seven of the Municipal Home Rule Law.
